PUBLIC HEARINGS

1. **CPA2002-0007 - Comprehensive Plan Map Amendment**
2. **CPA2002-0008 - Comprehensive Plan Text Amendment**

This is a request for Planning Commission approval of a City-Initiated amendment to sections of the Comprehensive Plan relating to the identification and protection of natural, scenic and historic resources. As a first step, the City's Significant Natural Resources Map would be amended to show properties on which are located trees, tree corridors and groves deemed to be scenically significant. These properties will be selected from sites inventoried by City staff based on criteria agreed to by the Planning Commission. Previous inventories adopted in 1984, 1991 and 1999 that identified significant tree resources would be deleted. Four tree categories --Scenic Trees, Scenic Groves, Scenic Neighborhood Groves, and Scenic Corridors-- would be shown on the map. Additionally, the Plan's text would be amended to add Scenic Tree Project inventory information explaining the significance determination.
